UNITED STATES OF AMERICA 20231

Response to Office Action

Sir:

The following Amendment and Remarks are in response to the Office Action mailed March 21, 2007, in the above-referenced case.

The Commissioner is hereby authorized to charge any additional fees required, including the fee for an extension of time, or to credit any overpayment to Deposit Account 50-1644.

An Examiner Interview was held on June 8, 2007 between the Examiner, his supervisor and Xiang Lu as the Representative for the Applicant. During the Interview, Xiang Lu explained the differences between the cited Travaly reference and the claimed invention. In particular, the claimed limitations of acceleration tunnel traversing a wireless network, the encryption of the acceleration tunnel and the plurality of enterprise content servers are explained. The Examiner indicated that he will review the limitations in view of the discussion and the amendment.

The Applicant respectfully requests that the above-identified patent application be amended as follows.

Amendment
